

IHL Youth Action Campaign Pin Design Contest

We are excited to announce our first ever International Humanitarian Law Youth Action Campaign Pin Contest! This is your chance to showcase your creativity and passion for YAC and become the official pin design for the 2022-2023 YAC Campaign!

All submissions will be reviewed by the NHQ IHL team, who will narrow down the entries to a set of finalists. Youth Action Campaign Advocates will then get to vote on their favorite design! Voting will take place from March 13- March 17th. A survey will be sent to cast your votes.

Rules:

- Your design should reflect this year's theme of **The Environment and Armed Conflict**.
- There are two alternative templates: one square and one round.
 - Note that the letters shown on the round template are simply place holders for eventual text to be added. The Red Cross logo will be included with the wording.

- Note that each pin is appx. 1 inch in width, so the design will be small when printed. Avoid designs that could be problematic when printing on such a small image surface (e.g. use of lots of fine lines or detailed shadowing).
- Do not use the Red Cross logo in your image; the Red Cross logo will appear on the outer ring of the round pin, or the upper portion of the square pin.
- All art must be created digitally and submitted in a picture file format; vector files such as eps or ai are preferred, however jpg, png, pdf will also be accepted.

Submissions: Submissions are now open and will be accepted until 11:59p.m. ET on March 10th via email. Please use the subject line "YAC Pin Design" and send the art image and responses to the questions below IHLyouth@redcross.org

- Full Name:
- State:
- City:
- Are you a YAC Advocate?
- Which Template would you like to use? Square or Round?
- Artwork file as an attachment
